A Company of Fools to Hold Food Drive in Aid of Community

(Ottawa) ***A Company of Fools Theatre*** is holding a Food Drive at Alta Vista's Weston Park this Thursday July 21st, 2011 in conjunction with their Torchlight Shakespeare production of **Antony and Cleopatra**. All food items donated will aid the **Heron Emergency Food Centre**.

The hard-working staff and volunteers of the **Heron Emergency Food Centre** assist over 1400 area residents every month. There is a growing need for nutritious food to help sustain families and individuals. Audience members are encouraged to bring along non-perishable food items for the Centre; regular "pass-the-hat-and-pay-what-you-can" admission for the show still applies.

Antony and Cleopatra continues nightly, Monday to Saturday, in parks and greenspaces across the region until August 20th. Performances begin at 7:00 pm. Weston Park is located at 955 Pleasant Park Road, just east of Haig Drive between Smyth and Pleasant Park Roads.

A Company of Fools Theatre, Ottawa's longest running independent professional Shakespeare company, is committed to putting smiles on faces of our audiences. Please help us to fill some tummies and put smiles on the faces of those in need !
